- April to October, except Tuesday

### Also discover (no charge)

Other sites that are free are accessible with TransVaucluse (museums, via ferrata, hiking trails, cycle routes and greenways, lake...).

They are on the **TransVaucluse touring map** (brochure available from Tourism Offices and Town Halls) and on the interactive TransVaucluse map. Both maps are on-line at regionpaca.fr

• Bus stops are usually less than 500 meters from the site (unless specified in the leaflet).

Bus hours make a round trip possible in a ½ or full day and you can continue to discover other cities and villages.

• TransVaucluse line coaches are accessible to people with reduced mobility, with the exception of 3 transport lines by reservation (104. 107, 109). We recommend calling the transporter in advance to find out how best to proceed.

Sites accessible to the people in situation of handicap are indicated by:

Information directly

• Upon presentation of your valid ticket at the entrance to the sites listed in this leaflet, you will benefit from special rates:

With all TransVaucluse tickets (single tickets, booklets, **Discovery Pass and subscriptions)** 

Only with the Discovery Pass

• The TransVaucluse Discovery Pass is a ticket valid for two days for one person (10€). It allows access to tourist lines (21, 24) and free travel across the entire network (free connections). For sale on the bus, in bus stations, commercial agencies, some retailers and by post.
